

NAVIGATING THE FUNDING LANDSCAPE

A workshop that could bring you closer to the funding your organisation needs

Friday 2nd November 2007, 9 am – 4 pm

**The Old Lecture Theatre, The Open University,
Milton Keynes, MK7 6AA.**

Our aim is for participants to develop a clear understanding of what funding they should consider trying for - and how to apply for it in a way that works. We aim to engage with Chief Executives, Heads of R&D and Technical Directors.

Content:

A roadmap to funding – identifying funding appropriate to your company's needs

Grants for R&D – covering the different types available

R&D tax credits – maximising your company's claims

UK Collaborative Programmes – the benefit of joint ventures and how to get involved

EU Framework 7 Programme – European funding for your project

- **The South East Funding Escalator** – regional funds available to your business

Why should I go?

- **Expert Guidance:** The presentations and workshops will be delivered by experts who have successfully guided companies to funding over the past 5 years. This includes current assessors for several of the programmes described and representatives from Grant Thornton and Finance South East.
- **Networking opportunities** built into the day's programme.

How do I book?

Email your name, position, company, address and preferred venue to events@iasse.co.uk by 26th October '07 and include the name of the event you wish to attend.
